### *Is Santa Real?*

*Santa Claus is based on a real person, St. Nikolas of Myra (also known as Nikolaos the Wonderworker, Bishop Saint Nicholas of Smyrna, and Nikolaos of Bari), who lived during the fourth century.*

*Born in Patara (in modern-day Turkey), he is the world's most popular non-Biblical saint, and artists have portrayed him more often than any other saint except Mary. He is the patron saint of banking, pawn-broking, pirating, butchery, sailing, thievery, orphans, royalty, and New York City.*
